Hi Al,

I met with Dennis Cosby last week at the mine site and we discussed some options regarding reclamation and the continuation of mining at the site. I think we made some progress, but there are a couple of issues that Mr. Cosby will have to work out with you that are outside the Divisions area of involvement. We will be sending out a letter to you shortly to describe the options that were proposed and see how you would like to proceed.

However, what I am writing to you about is whether you know if Mr. Lewis ever received the cessation orders and the fine assessment letter that was sent to the original address of GR 200 Plus LLC in December of last year. We addressed it to:

Eric Lewis

GR 200 Plus, LLC

PO Box 681271

Houston Texas 77268

We have a series of certified mail receipts that were signed by a Ruth Hernandez, but we don't know if she has any relationship to GR 200 Plus LLC or not, or whether Mr. Lewis did in fact receive them. We assume that he did. The fine is still outstanding and technically, overdue for payment. In the letter there were written deadlines and actions that needed to be taken by Mr. Lewis to avoid additional fines. We would like to resolve this issue as soon as possible.

Thanks very much, and have a nice weekend.
